a. Review on action taken on the proceedings of Consent Committee Meetings.

The Proceedings of the previous CFE & CFO (EIA) committee meeting held on 20.11.2012 was read and confirmed.

The committee first took up Review Subjects for discussions. While discussing the subject of residential layout proposed at Uttarihalli village, Kaggalipura Hobli, Bangalore South, it was noticed that the Kanakapura Planning Authority (KPA) vide their letter dated 14.08.2012 have earmarked 10% area for park and 5 % area for civic amenities. No mention has been made about the location of the STP. Since, the main concern of the Board is to look into location of the STP, which is not made clear by the KPA. It was decided to address a letter to all planning authorities in BMRDA area including BDA and Director of Town Planning to make it mandatory to earmark the area allocated for STP with buffer zone all-round in the approved plan. When, the representatives of the BBMP pointed out that such area will be under the custody of the local authority, the question arose whether consent should be sought by the layout developer or the local authority or occupier of the said area. The committee recommended to include this issue in the letter addressed to planning authority and to take the subject before the Board Meeting.

NOTE:

As has been discussed in the earlier meetings the committee suggested that both Regional Officer's and concerned section at Head Office should verify the following before grant of CFE. Following decisions were taken:

- 1) Ensure that the occupier has signed the application.
- 2) The STP flow sheets submitted shall be duly signed by both consultant and occupier.
- 3) STP location should be properly marked on the layout plans with extent of area allocated for it with buffer.
- 4) STP below ground level to be discouraged, unless justified by the occupier.
- 5) Along with CFO application copy of plan approved by the competent authority should be collected.
- 6) In addition to the above it was decided henceforth the Regional Officer's shall indicate in the inspection reports actual road width and also the road width indicated in the CDP.
