**Additional Issues:**

**Committee observed that until now all red category industries having CI above Rs 5 crores were insisted to have the state EC before issue of the first CFO. However, of late as the Board has taken decision to broaden the C I slab for Medium category industries up to Rs 10 crores, those industries do not need now the state EC and period of consent also can be more than one year. Hence, it was decided not to insist for the state EC for the issue of CFO to such industries in the CI slab up to Rs 10 crores and issue them the CFOs for period of two years if they have made applications and paid fees. However, as this is not approved in the Govt. so far, this shall be done with information to Secretary, Ecology and Environment. A letter in this regard shall be addressed to the Secretary informing the decision taken in the committee by the concerned section heads.**
