No.PCB/WMC/Passbook/2016-17/

942

Date: 21 MAY 2016

To,
All Barrel Recyclers.
List Enclosed.

Sub: Non compliance to the provisions of the Hazardous Waste (Management, Handling and Transboundary movement) Rules 2008 - reg.

Ref: Board office notice issued to you vide No. 696, dt: 24-03-2016.

The Hazardous Waste (Management, Handling and Transboundary movement) Rules 2008 & the subsequent Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016 stipulates the responsibilities of the hazardous waste recyclers/reprocessors which includes barrel recycling activity. Contravention of the provision of the above said Rules attract action under the Environmental (Protection) Act, 1986. The Board in order to monitor your industry from the compliance angle has directed you to submit the details of barrels procured from various industries/ organizations since inception of the industry vide reference cited above in the prescribed format within 7 days time, failing which action will be initiated. As verified from the records of this office you have failed to submit the details even after one month. There is an apprehension that all the barrels purchased by you from industries are not at all reflected in your records.

The above clearly indicates that, you are not bothered to comply with the environmental laws.

Further, under Rule 6(7) of Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016

"The authorized actual user of hazardous and other wastes shall maintain records of hazardous and other wastes purchased in a passbook issued by the State Pollution Control Board along with the authorization".

Hence you are directed not to collect any hazardous and other waste without passbook as required under above said Rules.

Yours faithfully

Sd/-

Member Secretary

Copy to :

1. RO-----for information and to insist the recyclers/reprocessors units to obtain passbook and also to intimate major industries not to dispose waste without entry of passbook.
2. E- Governance cell to display the letter in website.
3. TA to Chairman.

Senior Environmental Officer
