@#@@

The Ministry of Environment, Forest and Climate Change , Government of India has amended the Environment Impact Assessment Notification, 2006 issued under the Environment (Protection) Act, 1986 on 23.11.2016 in respect of obtaining prior Environmental Clearance (EC) for change in product mix, change in quantities within products or number of products in the same category by industries established with prior EC issued as per 1994 or 2006.

Such industries proposing take up change in product mix, change in quantities within products or number of products in the same category for which prior EC has been granted earlier, are exempted from the requirement of obtaining the prior environmental clearance provided that there is no change in the total sanction capacity in the EC already granted and there is no increase in pollution load from the existing manufacturing process when compared with the proposed change in the production process. However the industries are required to obtain “ No increase in pollution load” certificate from the Technical Committee constituted by the Board as per the said Notification. In this regard, the KSPCB has constituted the Technical Committee vide Memorandum NO.PCB/780/COC/2016-17/6604 Dated: 22.2.2017 for the said purpose.

In view of the above the 1st Technical Committee Meeting is scheduled on 7.4.2017 (Friday) at 11.30 AM at the Board Meeting Hall of the Karnataka state Pollution Control Board, Parisra Bhavan, No.49, 3rd Floor Church Street, MG Road, Bangalore-560001. The Circulars issued by

MoEF & CC and Office Memorandum issued by the Board as Cited under ref (1) to (6) is herewith enclosed for kind perusal.

It is requested to kindly make it convenient to attend the meeting.
