Date: 17.4.2017

NOTIFICATION OF EMPANELLING ENVIRONMENTAL AUDITORS

The Ministry of Environment, Forest & Climate Change, Government of India vide Notification S.O.3518(E) dt. 23.11.2016, amending the EIA Notification, 2006 directed as follows:

*“Any change in production-mix, change in quantities within products or number of products in the same category for which Environmental Clearance has been granted shall be exempt from the requirement of prior environmental clearance provided that there is no change in the total capacity sanctioned in prior environmental clearance granted earlier under this notification and there is no increase in pollution load. The project proponent shall follow the procedure for obtaining **No increase in Pollution Load** certificate from the concerned State Pollution Control Board as per the provisions given in Appendix-XIII”.*

As per the procedure specified, the applications have to be examined by a Technical Committee constituted for this purpose. Further, the project proponent is required to obtain a certificate of no increase in the pollution load from the Environmental Auditors and reputed institutions to be empanelled by the State Pollution Control Board. The Technical Committee will make its recommendations and based on the same and the State Pollution Control Board shall take decision with respect to the application received from the project proponent for change in the Consent to Operate for the purpose of change in product mix.

In this regard, it is decided that the Environmental Consultants / Reputed Institutions who have obtained NABET Accreditation as allowed to prepare the Environmental Impact Assessment report and Environmental Management Plan of a project in that sector and category and to appear before the concerned Expert Appraisal Committee (EAC) or the State Expert Appraisal Committee (SEAC) may also be empanelled as Environmental Auditors for the purpose of certifying change of product mix applications.

Eligible personals and institutions should have the following criteria:

- Expertise in process development and also on the reactions, by products, effluent generation and treatment.
- Knowledge in mass balance, stoichiometric material balance, kinetics & kinematics of chemistry and detailed water balance.
- The applicant shall submit the details along with Curriculum Vitae and experience in similar activities.
- Experience in Chemical & Pharma industrial process is essential.

Accordingly, all Qualified individuals / Reputed Institutions who have obtained NABET Accreditation along with brief description of organization and valid accreditation certificate specifying sector and category of expertise shall apply within 07 days from the date of publication of this notification, to **'The Member Secretary, Karnataka State Pollution Control Board, #49, Parisara Bhavana, Church Street, MG Road, Bangaluru-560001'** and the last date of submission is 25.04.2017 by 05.00 PM.

MEMBER SECRETARY

**DETAILS TO BE FURNISHED FOR EMPANELLING ENVIRONMENTAL
AUDITORS**

1	Name and address of the Organization along with telephone, fax and e-mail	:	
2	Name and mobile number of the authorized / contact person	:
